

Carlos Miguel A. Cariño

BS Information Technology

with specialization in Mobile and Internet Technologies

Objective

Aspiring IT professional currently pursuing a degree in Information Technology, with a focus on full-stack web development and cloud services. Backed by 10+ years of entrepreneurial experience in the buy-and-sell car industry and leadership roles in the Student Executive Talent Committee and CTSO Rules & Ethics Committee. Eager to gain hands-on experience through an internship where I can contribute to both front-end and back-end development, cloud-based solutions, and team collaboration while growing professionally in a dynamic tech environment.
